

STOP THE BITES[®] PLUS!

Advanced Mosquito & Tick Killer

NEW, UPGRADED, NATURAL MOSQUITO & TICK INSECTICIDE WITH 28-DAY CONTROL

(YES, YOU READ THAT RIGHT!)

Introducing Stop The Bites[®] PLUS

The next generation of mosquito and tick control.

Built on the proven and trusted performance of Stop The Bites[®] for years as the go-to, all-natural mosquito control solution; Stop The Bites[®] PLUS has been reformulated to deliver improved performance, broader

application flexibility, and a stronger fit across professional service programs. Stop the Bites PLUS has been designed to meet the growing demand for effective mosquito and tick control across residential and commercial environments.

What's New with PLUS

Enhanced Formulation: Optimized essential oil blend for improved performance and consistency.

Expanded Application Flexibility: Designed for use across residential, commercial, and professional service environments

Improved Operational Fit: Integrates seamlessly into existing spray programs and equipment.

Built on a Proven Brand: Backed by the performance and recognition of Stop The Bites[®].
