## PRECAUTIONARY STATEMENTS

Causes serious eye damage and skin irritation. Do not get in eyes, on skin or on clothing. Do not breathe fumes, vapors or spray. May cause an allergic skin reaction. Thoroughly wash face, hands and any exposed skin after handling. Do not eat, drink or smoke when using this product. Wear eye protection and protective clothing (long-sleeved shirt, long pants, socks, shoes and gloves) when handling, mixing and applying this product. Take off contaminated clothing and wash clothing before reuse. Very toxic to aquatic life with long-lasting effects. Do not contaminate water with concentrate, spray mixture or rinsate. Do not spray directly on ponds of all kinds, lakes, rivers or other bodies of water. Avoid unnecessary release into the environment.

### First Aid

**If in Eyes:** Immediately rinse eyes with plenty of water, also under the eyelids, for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Keep eye wide open while rinsing. Do not rub affected area. Get immediate medical attention/advice. **If on Skin:** Immediately wash skin with soap and plenty of water for at least 15 minutes. May cause an allergic skin reaction. See a physician in the case of skin irritation or allergic reaction.

For medical emergencies involving this product call the Poison Control Center toll-free at 1-800-222-1222.

## DIRECTIONS FOR USE

Read entire label before using. Use only according to label Precautionary Statements and Directions.

Before buying or using this product read "Conditions of Sale and Warranty" found elsewhere on this label.

### Shake Well Before Using

**FOR ONLY OUTDOOR USE:** Apply to surfaces including, but not limited to, building foundations, windows, doors, cracks and crevices of residential structures, commercial, industrial buildings/structures, including restaurants, warehouses, food processing plants, supermarkets, hospitals, nursing homes, motels, hotels, schools, daycares, laboratories, computer facilities, aircraft, buses, trailers, trucks, tires, boats/ships, boat docks, trains, pet shop, zoos where no animals are present, and other similar areas. Use as often as necessary to kill targeted pests. Also, for use on lawns and shrubs surrounding residential or commercial buildings or other lawns and shrubs. Do not allow anyone to enter treated areas until spray has dried.

<b>Pests</b>	<b>Stop the Bites® - EX! concentrate ounces per gallon of water</b>
Pea aphid, Southern corn rootworm	0.6 to 12
Fall armyworm	2.5 to 12
Argentine ants, German cockroaches, centipedes, cat fleas, house spiders, black widow spiders, house crickets, deer ticks, paper wasps, Japanese beetles, millipedes, pillbugs and silverfish.	4 to 12

**FOR USE ON OUTDOOR PERIMETER AND RECREATIONAL AREAS:** To kill pests listed above, apply with compressed air, handheld, hose end or backpack sprayer, or any other sprayer capable of providing even and consistent coverage. Dilute product per table above. Apply at the rate of 1.3 gallons solution per 1,000 square feet, or until the area is thoroughly wet but not to the point of runoff. Apply to the soil and vegetation in a barrier 6-10 feet adjacent to buildings. Treat the building's foundation to a height of 2-3 feet with sufficient water for coverage. Make special efforts to spray where targeted pests congregate such as, but not limited to, waste receptacles, dumpsters and exteriors of structures. Repeat as reinfestation warrants. Provides fall armyworm and Argentine ant control for 21 days with 4-6 oz per gallon of water.

**FOR USE ON LAWNS:** To kill pests listed above, apply with compressed air, handheld, hose end or backpack sprayer, or any other sprayer capable of providing even and consistent coverage. Dilute product per the table above. Apply at the rate of 2.5-5.0 gallons solution per 1,000 square feet, until area is thoroughly wet but not to the point of runoff. Repeat as reinfestation warrants.

**FOR USE ON PLANTS, TREES AND SHRUBS:** To kill pests listed above on plants such as, but not limited to, crab apple, apples, citrus, peaches, chrysanthemum, azaleas, boxwood and other plants or trees. Dilute product per the table above and apply using a compressed air, power or backpack sprayer at the rate of 0.67 gallon solution per 1,000 square feet until foliage is wet but not to the point of runoff. May be applied up to the day of harvest on food-bearing plants. Vegetation around stagnate pools, marshy areas, pools/ponds and shorelines may be treated. Reapply as infestation warrants.

### Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

**Storage:** Keep container closed when not in use. Store locked up in a cool, dry place away from direct sunlight, extremely high or low temperatures and incompatible materials (strong acids, bases and oxidizers). **Disposal:** Non-refillable container; do not reuse or refill this container. Place in trash or offer for recycling, if available. Dispose of contents/container in accordance with local regulations.
